

**AUSTRALIAN FEDERATION OF RACEWALKING CLUBS
FEDERATION CARNIVAL
ALBERT PARK, MELBOURNE, SATURDAY 14 MAY 1965**

The June 1964 AGM of the AFORWC resolved that the host state should have the right to determine if the Lorna Carrington Cup and the Jubilee Shield should be held on the road or the track. Information as to the type of surface should be conveyed to all constituent Clubs not less than 6 months prior to the date of competition. It was further resolved to alter the Jubilee Shield to become a 2 Mile race for Boys under the age of 17 years on the day of competition.

Glover Shield 10,00m Walk Men

I have not yet been able to find any results from the 1966 Glover Shield except for the fact that the Teams Event was won by NSW, compliments of K. Keogh, C. Walker, E. Edwards, W. Kirby.

The following information is taken from the Heel And Toe newsletter of the VAWC and covers the other two Federation events held as part of that carnival.
