## 5<sup>th</sup> LAKE BURLEY GRIFFIN CARNIVAL **SUNDAY 13 JUNE 1971**

The 5th edition of the LBG Carnival is the first for which we have a full results set, compliments of **Peter Waddell**.

Peter was synonymous with the Lake Burley Griffin carnival. Over many years, he was a regular competitor in the 20 mile event on the Sunday morning and then manned the microphone in the afternoon to commentate in his own unique style during the remaining events. He knew everyone in the walking fraternity and enjoyed pointing out past and future champions and anything else of interest that caught his eye. No one was safe from his witty comments.

During his time in Canberra he worked as a telegraphist and teletype operator at the former Post Office in East Block and also in the Press Gallery at Old Parliament House. He was one of those people who could walk into a room where morse code was being transmitted and recognise the substance of messages being tapped out.

From 1969 onwards Peter produced a racewalking newsletter which incorporated difficult to obtain race results within Australia and overseas. This information, and his occasional witty and provocatively 'stirring' comments, guaranteed its readership among groups of isolated walkers scattered around Australia. The newsletter was printed and posted mostly at his own expense. It was originally printed on the old Canberra telex machines and he eventually transitioned to the internet and moved into the world of email for his newsletter. But Peter, for all his technical skills, was never able to fully master the computer and his email newsletter was always an amusing mixture of cuts and pastes and apologies for being late due to the latest computer problem!

This set of results was one of Peter's earliest such telex machine productions.

By this stage, the Under 14 event had been increased to 1 Mile and an Under 9 ½ Mile Walk had been introduced.

Ex. British International walker Peter Fullager, a recent arrival in Australia, broke Frank Clark's course record, after a tough battle with NSW walker Steve Hausfeld. This win enabled the SA team of Fullager, Frank Leonard and Dean Knight to wrest the Teams event trophy from Victoria.

With 104 walkers, this was the biggest LBG so far.
