

11th LAKE BURLEY GRIFFIN CARNIVAL
SUNDAY 12 JUNE 1977

47 entries made this the largest field so far in the 20 Mile event. High drama unfolded at the 15 mile mark as Sawall and Erickson, well clear of the rest of the field, turned incorrectly at an unmarshalled roundabout and lost several minutes before turning back and rejoining the course. Even so, Sawall still broke his race record by 15 seconds to hold out an improving Erickson. The many unmarshalled roundabouts and the steadily increasing traffic would eventually spell an end to the various road courses and push the event onto the bike paths but that was in the future.

Note that results for all events, apart from the 20 Miles, are restricted to the first 6. Alas, that is all that Peter Waddell has recorded. I assume he was a bit busy to include the full results, as the fields were quite big.
