

**13<sup>th</sup> LAKE BURLEY GRIFFIN CARNIVAL**  
**SUNDAY 10 JUNE 1979**

Willi Sawall smashed his race record by an unbelievable 7 minutes. Tim Erickson went with him for the first 3 miles (passed in 21:16) before losing contact, and this set him up for a time that would have easily won in just about any other year. With 12 of the first 16 places, Victoria continued its domination of men's walking. Victoria took 1st, 2<sup>nd</sup> and 3<sup>rd</sup> places in the teams events as well as winning the veterans teams events. Never before had one state so dominated the event. Sawall confirmed his class with the first sub 4 hour 50 km by an Australian that same year.
