INTRODUCTION

The Track Walks

The first walking titles were associated with the Victorian Track and Field Championships which were held annually in the February/March period. 1 and 3 mile walks were included on the program in the inaugural Championships in 1892. The track walk in conjunction with the Track and Field Titles is still present today but has gone through a number of changes over the years.

1892 - 1948	1 and 3 Mile Track Walks
1949.1970	2 Mile Track Walk
1971.1982	3000m Track Walk
1983 -	5000m Track Walk

The Road Walks

The first road walk to be designated at a Victorian Title was the 25 Mile walk which eventually became the 50 km event. It had a relatively unbroken history since its inauguration in 1914, until 2021 when it was replaced by a 35km road walk championship.

1914.1928	25 Mile Road Walk
1929 - 2020	50 km Road Walk
2021 -	35km Road Walk

In 1923, the 10 Mile Road Walk was created and was a very popular international distance for many years with officially recognised world records. When the Commonwealth Games started and a roadwalk was included in 1966, it was decided to replace this championship with a 30 km championship which still continues today

1923.1970	10 Mile Road Walk
1971-	30 km Road Walk

It was eventually recognised that a shorter roadwalk distance was needed, especially since the Olympics was held over the 10,000m distance. So in 1929, the 5 Mile road walk was created. It was eventually changed to 10 km and is still held today.

1929.1939	5 Mile Road Walk
1946 -	10 km Road Walk

When the Olympic walk distances were moved from 10,000m to the 20km / 50 km roadwalk double, a 20 km walking title was created and it still continues today

1959 -	20 km Road Walk

In 1973, a 15 km Road Walk title was added to the list and has been contested regularly each year since.

1973 -	15 km Road Walk

VICTORIAN 1 MILE WALK TITLES (1892 – 1948)

For a long time, only the winner's time was recorded. On some occasions, the winning margin was recorded but times for the second and third placed walkers are unfortunately not available from the records.

2020	Event cancelled due to Covid-19 lockdown						

With the 2021 Olympic 50km walk in Japan marking the end of this iconic event internationally, Athletics Victoria agreed to a recommendation from VRWC to change the 2021 long distance championship walk distance from 50km to 35km. The inaugural Victorian 35km championship was scheduled for Sunday 29th August 2021 but had to be cancelled due to a Covid-19 lockdown.   -

 ** World Record (!)

AV 50 KM RESULTS FOR 1994-1997

There seem to have been 2 events in 1994 that were both designated as AV 50 km champs (according to VRWC archives)

11 Sept 1994   AV 50 km Champ   1. H Summers 5.21.04 (only finisher)
18 Dec 1994   AV 50 KM Champ and WC Trial   1. M Harvey 4:02:17, 2. D Cousins 4:16:37 3. D McGrath 4:16:53

The Sept edition is noted in a subsequent Heel and Toe magazine as the 1994 Vic Championship and Harry Summers has confirmed it. The December edition was an early scheduling of the 1995 Victorian Championship. That makes sense as the 1995 Winter fixture does not show any Victorian 50 km event. The only 50 km scheduled in 1995 was a VRWC Club Championships held on 17 Dec 1995 at Knox and won by Duane Cousins. This was not an AV championship.

17 Dec 1995,   VRWC 50 km Champ, Knox   1. Duane Cousins 3:54:38

Similarly there were 2 AV 50 km races scheduled in 1996.

The1995/96 VRWC fixture shows the 1996 AV 50 km Champ and Olympic Game selection trial scheduled for 31 March 1996 at Knox. Results in this event were

31 Mar 1996   AV 50 km and OG Trial   1. Simon Baker 3:55:46, 2. Duane Cousins 3:56:21, 3. Michael Harvey 4:05:41

I also have a VRWC results sheet for Sunday 15 Dec 1996 for a 50 km race at Albert Park which reads as 'AV 50 km Champ and World Cup Trial'. This second was the 1997 AV championship (early again). Results on that occasion were

15 Dec 1996   AV 50 Km and WC Trial   1. D McGrath 4:16:05, 2. Mick Harvey 4:17:41, 3. Shane Pearson 4:19:21, 4. Mark Thomas 4:23:01 (very hot)

The next 50 km scheduled was in Dec 1997 when we had an event at Albert Park labelled 'AA 50 KM and Comm Games Trial'. Results were

13 Dec 1997   AA and WC Trial   1. Dion Russell 3:48:12, 2. Duane Cousins 3:47:40, 3. Dominic McGrath 3:19:15

This is not designated as an AV championship, only an AA one.

VICTORIAN 35 KM WALK TITLES (2021 -)

A Victorian 35km Championship was scheduled for August 2021, to replace the Victorian 50km. Alas, a Covid-19 lockdown prevented this event from being held.

2021   Event cancelled due to Covid-19 lockdown
