TIM'S WALKER OF THE WEEK

Last week's Walker of the Week was a two way vote between two walkers who both caught my eye - Josh Kaiser and Brandon Dewar - and it was indeed a highly contested affair with both boys calling in the big guns and each amassing huge numbers of votes. After nearly 600 votes in total (that's a record!), the winner turned out to be 18 year old **Josh Kaiser** of VRWC. Josh has been walking since 2009 but has only just started to show his potential this year. He walked a PB of 24:34 in the 5000m invitational event at the National T&F champs in April, then improved to 23:49 in the Vic Country champs in late May. A couple of weeks ago, he walked a huge 10km PB of 50:50. And as an aside, he has since continued his improvement, taking further time off his 10km PB with 50:02 in Canberra last Sunday.

This week we had our Canberra Carnival (see below) and there were a huge number of wonderful performances. However, I am not even going to put this week's Walker of the Week performance to a vote as, in my mind, the winner was a standout. **Regan Lamble** came third overall in the Open 20 Mile Championship in a time of **2:32:17**, beating all except fellow Olympians Jared Tallent and Chris Erickson and bettering Kerry Saxby's course record by an amazing 9 minutes. And what's more, she did it effortlessly, finishing with a full head of steam. This ranks her pretty high on the LBG All-Time list and sees her push ahead of some pretty good male walkers. I have now updated my LBG 20 Mile History document to include the 2012 carnival results so you can read all this and more in http://www.rwa.org.au/documents/AFORWC-Canberra20MileResults-complete.pdf.

LAKE BURLEY GRIFFIN CARNIVAL, CANBERRA, SUNDAY 10 JUNE

The 46th edition of the annual Lake Burley Griffin Carnival was successfully held on Sunday with over 250 walkers descending on Canberra for what is Australia's largest racewalking carnival. Conditions were torrid early on with the 20 Mile and 10 Mile events starting at 8AM in frosty conditions and a low -3^oC. But as the day progressed, the sun gradually warmed competitors, officials and spectators and later events were held in perfect conditions.

In my mind, there were 3 standout performances

- 20 year old Regan Lamble has walked in the 10 Mile championship for the last 4 years so she felt it was time for a change this year consequently she contested the super tough 20 Mile event around Lake Burley Griffin! And what a performance she came third overall in the blue riband event in a time of 2:32:17, beating all except Olympians Jared Tallent and Chris Erickson and bettering Kerry Saxby-Junna's course record by an amazing 9 minutes. And what's more, she did it effortlessly and finished with a full head of steam. This was her final hitout before leaving to continue her Olympic preparation in Europe and she is in wonderful form.
- 23 year old **Tanya Holliday** won the Women's 10 Mile championship in a huge time of **1:13:16**, breaking Kerry Saxby-Junna's course record by one minute. She then fronted up for the Women's 5km, winning that in a very fast **21:45**, a time second only to Kerry. So Kerry lost two records in the one day and had her third record also challenged. It is a hard ask to double but Tanya did it in fine style, leaving all in her wake. This, when added to her two Olympic A qualifiers this year, indicates that she will be hard to beat from now on.
- 27 year old **Jared Tallent** was untroubled to win the 20 Mile Championship in **2:18:00**, over 8 minutes ahead of fellow Olympian Chris Erickson. In the middle of a solid training block, Jared stormed over the hilly course and would not have blown a candle out at the end. This is the fourth fastest time ever for this race behind his course record of 2:14:57 and his seventh win in 8 years. He now sits only one win behind the great Willi Sawall who has 8 LBG golds to his name.

Regan, Tanya and Jared in action around Like Burley Griffin on Sunday

There were of course many other superb performances. To take but one instance: for the medallists in the U18 Men's 5km walk, it was their second walk for the day. Winner **Brad Aiton** (21:22) had already taken bronze in the U20 10km (48:42), silver medallist **Nathan Brill** (21:29) had already taken bronze in the Open 10 Mile (1:15:33) and bronze medallist **Jesse Osborne** (22:17) had already taken silver in the Open 10 Mile (1:14:55).

This was typical of the day in that most of our medallists fronted for second events (and even for third events in some cases) to help their clubs in the Teams competition. For instance, U10 Boys 1km winner **Corey Dickson** (5:03) was 4th in the U12 2km (10:02) and 9th in the U14 2km (10:22), all three events being held in close succession.

I could write for pages to highlight the many fine performances across the board but time and space do not permit so I will just acknowledge the Victorian medal winning performances (this after all did start as a purely Victorian newsletter) and then go straight on to the results.

RWV and NSWRWC vied for top spot in one of the closest teams competitions for years. The Brennen Shield points tell the story as RWV now take a small lead into the second RWA carnival, to be contested in Adelaide on Sunday August 26.

RWCWA ROADWALKS, WILSON, SUNDAY 10 JUNE

There are traditionally very few walk competitions held in Australia on the LBG Carnival weekend but I did get this report from Rick Cattermole on last Sunday's walking from Perth in Western Australia. Rick commented: Six hardened walkers manage to start the walk at Wilson today - a list of illness and injuries added to the low turnout unfortunately.

RUSSIAN SUMMER RACE WALKING CHAMPIONSHIPS, MOSCOW, 10-11 JUNE 2012

The Russian Summer Roadwalking championships were held last weekend in Moscow (on the same course as the 1980 Olympics, starting and finishing in the stadium) and the competition was fierce. The first two Russian Olympic team spots in each of the 3 Olympic walks had been granted to the current Olympic champions and to the winners of this year's World Cup events in Saransk. The remaining third spots were up for grabs and had been set aside for the winners of these championships.

So Yelena Lashmanova and Olympic 20km champion Olga Kaniskina already had tickets to London along with Andrei Krivov and Olympic champion Valeriy Borchin in the men's 20km while the first two Russian 50km spots had been allocated to world champions Sergei Kirdyapkin and Sergei Bakulin.

The Open winners last weekend were Sergey Morozov 1:19:49, Yuri Andronov 3:40.44 and Anisya Kirdyapkina 1:27:43 so they will all now be nominated alongside their compatriots to complete an awesome Russian walks team. Kirdyapkina will join her husband Sergei Kirdyapkin in London and they will make history if both can medal in their respective walking events.

The Junior wins went to Pawel Parshin 41:14.73 and Yekaterina Medvedeva 44:30.49 while the Youth wins went to Nikolay Markov 42:43.71 with Olga Shargina 22:30.40 (5000m). The junior and youth competition, were also trials for World Junior Championships in Barcelona, were held in rainy conditions. And I do mean rainy - check out this photo

Wet for the junior walks in Moscow (photo from http://eng.rusathletics.com/sor/calendar.2651.htm#event-tabs-photos)

As an added point of interest Andronov (born 06.11.71) has bettered the M40 50km World Record by over 7 minutes. The current best is held by Jesus Angel Garcia with 3:47:56 (Barcelona in 2010) but Andronov's 3:40:44 takes the event to a whole new level. I have sourced the following results from http://eng.rusathletics.com/sor/calendar.2651.htm

IAAF CHALLENGE WALKS, LA CORUNA, SPAIN, SATURDAY 9 JUNE

China's Li Jianbo and Hong Liu captured their respective 20km victories to highlight the 26th Gran Premio Cantones de Marcha – the Spanish leg in the 2012 IAAF Race Walking Challenge, held last Saturday in Spain on a cloudy and ideal racing day. While the 25-year-old Jianbo's victory came by surprise, Liu dominated the race from the early stages to easily confirm her supremacy. To the delight of the large home crowd assembled there were no less than three Spaniards on the podium overall. I will use Emeterio Valiente's report from the IAAF website (see http://www.iaaf.org/Mini/WRC12/News/NewsDetail.aspx?id=65268). Full results can be found at http://www.all-athletics.com/en-us/node/598964.

Men's race - Wang DNF but China reigns thanks to Jianbo

Over the 1km-long flat circuit, the men's contest opened quite fast thanks to the early pace set by the strongest walker in the line-up, China's Zhen Wang, fresh from a commanding win at the World Cup in Saransk. Wang pulled away with ease inside the second kilometre to build a clear led by the 5000-metre point. By halfway, the chasing pack was formed by no fewer than ten men although the Chinese pair of Wei Yu and Li Jianbo, Italy's Giorgio Rubino and Spain's Miguel Ángel López were doing most of the pacing work. The big surprise came in the 14th kilometre when Wang dropped out. Such was his advantage by then – over one minute – that his chasers realized they became the leaders only when the announcer provided that information. Jianbo's front walking paid finally dividends with some 3000 metres to go when he changed gear to leave the others behind; while Rubino lost any chance of winning soon Wei and López fought hard over the closing kilometres. At the finish line Jianbo was timed 1:20:55 to López's 1:20:59, a career best for him, who managed to get rid of Wei inside the last kilometre.

"It's my first 20km Walk Race this season and this win means an enormous morale booster for the Olympic Games," the victor said. "I'll now go straight to the Olympics, no more races until then."

As for the 2009 European U-23 champion López, he took the Spanish title at stake, lowered his best ever performance by 42 seconds although "the most remarkable achievement today has been to place second at an IAAF meeting," he said. The 24-year-old added: "It would be great to be on the top-ten at the Olympics."

Women's race - Liu impresses, Pascual surprises

In contrast to the men's event, the women's race had no drama to find the identity of the winner as the in-form Chinese Hong Liu proved to be in stellar fitness. In addition, she had the help provided by her compatriots Huiquin Ding and Huanhuan Sun, who made the early pace. Spain's María Vasco was the Chinese trio's closest pursuer and she overtook Ding before halfway and Sun some 11km into the race. Liu's margin over the experienced Vasco was not particularly broad (10 seconds) but the Spaniard began to fade with 5000 metres left and it became clear then that Liu would be the eventual winner barring disaster. The attention turned to the other podium places where Spain's Beatriz Pascual – a brilliant victor in La Coruña a couple of years ago – travelled in fifth inside the closing quarter of the competition but she first passed Germany's Sabine Krantz, later Pascual overtook her fellow Spaniard Julia Takacs to finally catch Vasco to take second well behind Liu (1:27:32 and 1.29:53 their respective times). The 2000 Olympics bronze medallist completed a classy podium 12 seconds behind Pascual but 32 seconds clear of the Hungarian-born Takacs. While Liu's top spot was highly likely, Pascual's runner-up place became a surprise even for herself as she explained: "After the World Cup I relaxed my training regime to peak again for the Olympics and so I faced today's race with little quality work. I kicked off cautiously but then I felt increasingly stronger and my second half was great. I now plan a training camp in the altitude of Font-Romeu before travelling to London where I would like to better my 6th place from Beijing Olympics," confirmed a delighted Pascual.

RWNZ 15KM CHAMPIONSHIP AND TARANAKI OPEN WALKS, NEW PLYMOUTH, SUNDAY JUNE 10

Forty racewalkers from around New Zealand, including Olympic bound Quentin Rew, raced for a series of titles last Saturday when the Taranaki Race Walking Club (TRWC) held its Annual Open walk on the Kaimata Street circuit in New Plymouth. Incorporated into the event was the Race Walking New Zealand (RWNZ) 15km Championship.

In the Men's 15km championship there was added incentive for 18 year old Matthew Holcroft (Waikato) who was not only trying for a fast time in the 15km but was also attempting a qualifier over 10km for the World Youth Championships in Barcelona. Quentin and Matthew went stride for stride in the first 5km of the race before Quentin had to leave the course for a time, leaving Matthew on his own out in front. He rejoined the race shortly afterwards and gamely chased but Matthew held his nerve and won in a time of 1:15:08. Quentin was second in 1:16:20 with Mike Parker third in 1:18:58.

The women's 15km RWNZ championship saw Rozie Robinson (Otago) stamp her authority very early on, winning comfortably in a time of 1:20:01 from Alana Barber (Wellington) and Rachel Gilberd (Taranaki).

The Hawera cup is awarded for the first walker (on handicap) in the 15km event. Sue Hoskin (Manawatu) not only succeeded in winning the cup but also set a new W60 record in the 10km in a time of 1:01:25, taking 30 seconds off the previous record. Serena Coombes (Taranaki) was a deserved winner of the Womens 10km Handicap Cup. Coombes took the Campbell Cup in a time of 1:05:59 for the 10km. Tom Hastie (Taranaki) at 71 years old reduced his PB by 2 minutes over 10km finishing in 1:15:13 to take the Trevor Suthon Cup for the third successive year.

WALKING IN THE NEWS

First to another walker in the news - a short interview with South African 50km Olympic walker Marc Mundell: http://www.youtube.com/watch?v=PEHJry3BGyU

Also a pointer to this rather interesting scientific report on measuring knee flexion in race walkers. It has generated some lively discussion with views on both sides of the fence. I will leave it to readers to review it for themselves: https://www.wpi.edu/Pubs/E-project/Available/E-project-042412-233754/unrestricted/knee_flexion_MQP_BJS_KF11.pdf

GOING TO LONDON FOR THE OLYMPICS - HOW ABOUT A WALK?

If you will be in London during the 2012 Olympics, then you should check out the 2012 Friendship Walks being put on by the Enfield Race Walking League on Tuesday 7th August. The race info reads as follows:

2012 Friendship Walks

Race walking in the Olympics started at the London Games of 1908 since when Britain has an outstanding record of success; six gold, five silver and four bronze medals. Race walking in Britain was initially formalised by the Southern RWA in 1907 and since those early days, thousands of people from all walks of life have participated in domestic UK events.

The Enfield Open Seven held annually in November, was first held in 1920 and is now the oldest surviving sprint race in the UK and probably the world.

With London (Enfield is a London Borough) figuring so large in the discipline's history and tradition, the League committee thought it appropriate to stage an extra non-scoring fixture in celebration of the Games. Prior to the road walks at 12 noon a 1 mile track event for Visually Impaired walkers will be staged.

An invitation is extended to overseas walkers visiting the Capital and to any walkers interested in being part of the celebration. It is a chance to walk in London in 2012 and an Olympic Year Opportunity for 'Ordinary' Athletes!

Date: Tuesday 7th August

Time: 1pm

Events: Three and Five Mile Road Walks

Venue: QEII Stadium, Donkey Lane, Enfield, EN1 3PL

Commemorative medal to all participants

Entries may be sent by email to randjwallwork@btinternet.com but will only be accepted and confirmed upon receipt of the entry fee payable to "Moulton Walks" and sent to R.Wallwork, 35A Newmarket Road, Moulton, Suffolk, CB8 8QP – tele: 01638 751869

Entry information is as follows.

- You must pre-enter the AV 20km and the Victorian Schools Champs via the AV website online entry panels which can be
 accessed from the front page of http://www.athsvic.org.au/. I expect these to close at the end of this week so don't leave it.
- If you intend to race the AMA 20km championship, you need to fill out the entry form found at http://www.australianmastersathletics.org.au/system/wp-content/uploads/ama-20k-walk-2012-entry-form.doc and either post with your \$12 entry fee to Alan Lucas or bring it to Middle Park this Saturday.
- The VMA 20km and all other VRWC races may be entered on the day.

QRWC President **Peter Bennett** had no sooner finished the LBG 20 mile walk last Sunday than he was back home and packing for a quick visit to France - he will compete in the Rouen 24 Hour Walk this coming Saturday/Sunday. A past winner of this event, he will no doubt be hoping that his final hitout in Canberra was just the shot to get him ready for an even tougher challenge next weekend.

Claire Tallent will also be in action next weekend but in her case, it is in the next IAAF Challenge Series meet in Sesto San Giovanni, Italy where she will contest the Women's 20km event as part of her Olympic buildup.
