WALKER OF THE WEEK

When 16 year old **Jemima Montag** finished second behind Kelly Ruddick in the Victorian Open 5000m walk at the Victorian T&F Titles on Sunday, she not only secured an Open silver medal, she also recorded her second World Youth qualifier with her time of **23:06.80**, to go with her time of 23:09 from November. She now looks one of the favourites to represent Australia in this elite IAAF competition this coming July. That makes her my Walker of the Week this time around.

WHAT'S COMING UP

Next Saturday sees the **Athletics Victoria Knockout Final** at Lakeside Stadium at Middle Park. Good luck to those competing in the 2000m walk at this meet.

The following week sees more championships including the Australian Junior T&F Champs in Sydney. This will also be the official trial meet for the 2015 World Youth Champs so all our top U18 walkers will be in action.

I believe that Jared Tallent is racing in Mexico as well as New Zealand walker Quentin Rew. Not sure who else is going from an Oceania perspective.

SAMA TRACK WALKS, ASA STADIUM, MILE END, ADELAIDE, WEDNESDAY 25 FEBRUARY

Thanks to Colin Hainsworth for his weekly results from the South Australian Masters in Adelaide. He advised that conditions were good. I think Colin may have set set new M85 SA records for both 800m and 5000m. If that was the case, well done Colin!

VICTORIAN OPEN T&F CHAMPIONSHIPS, LAKESIDE STADIUM, ALBERT PARK, 27 FEB – 1 MAR

Sunday afternoon saw the Victorian Open 5000m track championships at Lakeside Stadium in inner Melbourne and walkers made the most of the ideal conditions with some fast walking.

The women were first up at 12:30PM and super masters walker Kelly Ruddick dominated the event, doing a 3000m PB of 13:01 on the way though to her final time of 21:49.33. Behind her, Jemima Montag recorded a track PB and a World Youth qualifier with 23:06.80, ahead of Megan Szirom 24:21.93 and 15 year old Eliza Clarke 25:00.18.

The men's walk followed and it looked pretty much anyone's race early with Chris Erickson sitting back behind Rhydian Cowley and the young walkers. But Chris soon kicked down, soon opening up a big lead and negative splitting to win in a 1 sec PB time of 19:23.71. Rhydian walked well for second in 20:05.62 while Adam Garganis was only 1 sec outside his PB with his bronze performance of 22:03.27. And special mentions to fourth place Stuart Kollmorgen who had done a triathlon in the morning and to seventh place Andrew Jamieson – 68 years old and still competitive in the Open ranks.

This was Chris's 8th win in this event and he has certainly made it his own in recent years. His stats read impressively – apart from his 2004 win which was done in 41°C heat, his winning times have nearly all been under 20 minutes and 5 of the 8 performances have been PBs.

•	2004	Erickson, Chris	Aths Essendon	23.08.15 (41°C)
•	2005	Erickson, Chris	Aths Essendon	20:58.26
•	2007	Erickson, Chris	Aths Essendon	19:40.27

•	2014	Erickson, Chris	Aths Essendon	19:35.51
•	2015	Erickson, Chris	Aths Essendon	19:23.72

Once Chris finished, he reminded Simon Baker, who was trackside, that he had finally beaten Simon's 1989 PB of 19:24.12. Chris now moves up from 11th to 10th place on the Australian 3000m All-Time listing.

NSW OPEN, U23 & PARA T&F CHAMPIONSHIPS, SOPAC, SYDNEY, 28 FEB - 2 MAR

The NSW State T&F Champs were also held last weekend, also with 5000m walks for men and women. The day was very warm and humid, making conditions tough for everyone, but some good results were still recorded. In the women's championship, Nicole Fagan won with 23:32.63 ahead of Kirsty Klein with 23:51.77. In the men's championship, the lead swapped several times between Tyler Jones and Jay Felton, with Jay throwing down the gauntlet with 4 laps to go and taking the lead for one final time. Tyler eventually regained the lead, winning by four seconds 21:44.26 to 21:48.04. Special mention to 14 year old Dylan Richardson who finished 4th in a PB of 24:30.04.

QUEENSLAND ROUNDUP

Thanks to Robyn Wales for her report on a big weekend of racewalking in Queensland.

It was a great weekend of walking for our young Queenslanders with the Queensland Junior T&F Championship walks on Friday and our LAQ Junior Carnival on Sunday. We saw some quality walking from a great bunch of young people who are now looking forward to racing in Sydney next week.

Queensland Junior T&F Championships, SAF, Brisbane, 26 Feb – 1 March

First to Friday evening and the Queensland Junior T&F Championshp walks. Robyn reported:

U14 3000m: Both races were won by 11 year olds with Amelia Schofield scoring line honours in a pb of 16:40.53 and Adam Bucchorn winning the boys' race in 17:01.17 also a pb. Both of these athletes will be able to compete in this event next year. Caitlyn Hannigan also scored a pb with 17:36.84 as did Nelson McCutcheon (17:12.78) Isabella Schofield and Amelia Wales were 3rd and 4th in the girls' race while Kobe Hinton's pb of 18:28.94 probably doesn't reflect his ability as he'd caught "man flu" from his Dad earlier in the week. Ben Jeffrey and Ryan Stewart were 4th and 5th.

U15 3000m: Tenyka Chapman finally cracked the 16 minute barrier after being close in Adelaide last December and was rewarded with 15:52.45 and a gold medal after leading all the way from fellow All Schools competitor Jenna Lawrence who had a very busy weekend with several events. Australian All Schools winner, Jamison Stovin made his intentions known early by setting off at a cracking pace before crossing the line in 15:00.70 from Ethan Clarke in 18:22.12.

U16 3000m: Katie Hayward had her mind set on breaking Clara Smith's Qld record and displaying impeccable technique flew around the track to come oh so close when she finished in 13:38.15. The race between Katie and Victorian Eliza Clarke is going to be a beauty. Clancy Smith and Riley Sims took out the minor placings while in the boys' race Mitchell Mellor 17:01.23 won from an ever improving Callum Haig 17:21.88.

U17 5000m: The three competitors in these races stuck together the entire race with Jamie McCutcheon 28:01.35 just beating Mikki Woodward 28:05.23 and Aimee Brackin 28:06.98 pb.

U18 5000m: For the early part of this race Clara Smith and Luke McCutcheon swapped the lead until Clara broke away to win with a WYQ time of 23:13.71 and showing signs of another exciting race in Sydney when she and Jemima go head to head. Luke finished in a pleasing 23:21.66 while Tasmanian Tahlia Hunt scored another pb with her 25:09.44.

U20 10,000m: Only Katya Martin lined up for this event and she did well to finish in 57:35.76 with a negative split and walking the 2nd 5kms on her own.

LAQ Junior Carnival, SAF, Brisbane, Sunday 1 March

Then to Sunday for the Queensland Little Athletics Junior Carnival. Robyn reports:

Who would have thought an U9 race could be so exciting? The record 3:36.37 has stood for 14 years having been set by the delightful Natarsha Oldham in 2001. Now that's pretty quick for an 8 year old and there have been times when we thought it would go but no one has come close until this weekend. After warming up together as best friends do, Scarlett Schofield took off with Anika Clarke hot on her heels. It wasn't long before Anika hit the lead and there was no holding her back as she crossed the line in 3:36.26 with Scarlett 2nd in 3:48.50! Both girls received 2 red cards so there's a bit of fine tuning needed and we let Natarsha know her record had gone. The joy of Little Athletics paled for Natarsha then dq'd 5 years in a row after her U9 glory but she is back training again, so watch out Anika and Scarlett!

MOLLY BARNETT RWA RACEWALK CHALLENGE, COVENTRY, ENGLAND, SUNDAY 1 MARCH

Now to our overseas results and first to England, with Mark Wall reporting on the annual RWA Challenge roadwalks at the Molly Barnett Open and RWA Winter Challenge in Coventry. Mark reported as follows on the races, held on a 1km road course in dreadful conditions.

On a wet and very blustery day, Tom Bosworth walked a masterful race to claim a UK 10km record of 39.36. This is the first time he or any other Briton has beaten the magic 40 minutes (the previous best of 40:17 was set by Chris Maddocks in 1989). Junior walker Callum Wilkinson fought off all opposition to claim second place in a PB 44:15. Accordingly both were able to secure wins in the UKA challenge. This series was decided by points scored, against the IAAF Scoring tables, taking into account the fastest time recorded in the Indoor events and this final (the final scoring double points) and UK records earning a 50 point bonus.

In the female equivalent (the final leg of the UKA Challenge), Dr Tatyana Gabellone, defying the horrid conditions, pulled out a substantial PB to finish in 46:24, defeating Heather Lewis (47:26) after an early tussle, moving away over the last 5km. Bethan Davies walked a controlled race to take 3rd in 48:47. 2014 Irish International, Dr Brenda Gannon (a V40), also defeated the conditions to walk a massive PB finishing in 53:47, a second ahead of Heather Butcher (born 1997). In a close finish in the UKA Challenge, Heather hung on for the win largely thanks to the 50 point bonus gleaned from her U23 national indoor record in Cardiff in December when she prevailed over Tatyana.

In the women's 5km, Emma Achurch walked well to record 23:29, defeating all comers after Jo Atkinson was disqualified. She was over 3 minutes in front of teammate Jasmine Nicholls who recorded 26:47. In the U17 Men, Chris Snook won with 24:51. Like Emma he also secured the UKA Winter Challenge.

The U17 women saw a win to in 24:54 for Sophie Lewis-Ward (as well as the UKA Winter Challenge). Second was the Italian based Molly Davey in 26:42. Molly, born in Scotland, has spent almost all her life in Italy. In the U15 event the event was won by Ana Garcia in 15:38. In a close contest Lucy Lewis held out Ben Allen 15:55 to 15:57. Ana and Ben taking the series in the age group.

The U13 event was won by Suki Ly in 11:16, ahead of the boy's winner Hisham Alkamesi with 11:19, giving him a win in the UKA Series. The Female series winner was Molly Meleady-Hanley who recorded 11:49 for second. Ellen Vahey, the leader in the series having departed on Tuesday for Australia.

24 HEURES DE BOURGES, BOURGES, FRANCE, 28 FEB - 1 MARCH

Our tireless European correspondent Emmanual Tardi was in Bourges last weekend for the French 24 Hour Walk championships, an annual event and a big one. He reported as follows:

I was in Bourges (250km in the south of Paris) this weekend for our National 24 Hour Walk Championships. 79 contenders were on the start line at 1pm on Saturday - 68 for the 24 Hour event and 11 for the 2x6 Hour event . The first lap was 540m long, followed by laps of 2.688km, with the lap being shortened to 639m for the final hour. This enabled walkers to get an exact 100km time in transit.

In the first part of the race, the weather was very good (8°C and sunny) and the pace was on early. Remi Bonotte immediately took the race lead, walking at a speed faster than 10km/h. He reached the 50km mark in around 5hours, some 40 minutes ahead of the field. It was a very impressive start and nothing seemed likely to stop him. But he had not counted on the

weather which deteriorated drastically in the middle of the night, with very cold conditions and drenching rain which lasted for around 4 hours. Thibaux (2nd place) and Letourneau (3rd place) stopped during the rain and Bonotte was forced to reduce his speed significantly and was walking very slowly by Sunday morning. But his lead was sufficient and he won the French title with 199.84km in front of Emmanuel Lasalle 192.22km and the unstoppable 65 years old Gilles Letessier 188.23km.

In the women's race, Russian walker Tatiana Maslova lead from beginning to end. Everybody thought that Sandra Brown would challenge but it was not to be with Tatiana winning with 183.62km ahead of Sandra 180.45km. The battle for the French title saw a battle between Maggy Labylle and Martine Navarro, Maggy winning with 171.22km, less than 1km ahead of Martine with 170.49km.

The ancillary event was walkers walk for the first 6 hours and the last 6hours of the race. Cedric Varain win this race with 104.34km. Walkers in this event had numbers in excess of 100.

OUT AND ABOUT

- The IAAF interviews 2013 IAAF 50km World Champion Robert Heffernan of Ireland http://www.iaaf.org/news/feature/robert-heffernan-walker-ireland
- The Russian athletics federation says 18 year old Russian racewalker Evgeny Pantyushin has been banned for nine months, backdated to 1st Oct 2014, after the banned steroid prednisolone was found in his system at the national championships. You guessed it Pantyushin is said to train under Russia's disgraced head walking coach Viktor Chegin. http://www.nzherald.co.nz/athletics/news/article.cfm?c id=19&objectid=11408037&ref=rss
- Jared Tallent will have all his options open as he pursues a gold medal at the IAAF World Championships in Beijing this summer after producing a dominant display to win round one of the IAAF Race Walking Challenge in Adelaide. http://www.iaaf.org/news/report/adelaide-iaaf-race-walking-challenge
- Athletics is not the only sport suffering a lack of confidence in RUSADA. World Swimming is in turmoil in the leadup to
 the 2015 Swimming World Championships in Russia.
 http://www.swimvortex.com/we-all-deserve-better-than-fina-world-coaches-told-as-swim-schism-spills/
- And to more potential Russian doping allegations, this time with tragic consequences when, in a Russian biathlon race, a 21 year old competitor collapsed metres from the finish line and died. The official cause was deemed to be heart arrest but the family are not convinced and demand an investigation to see if shey was yet another victim of Russian doping. http://sportky.topky.sk/c/134554/zabil-ju-hromadny-doping-mnozstvo-otaznikov-okolo-smrti-mladei-biatlonistky
